GENERAL PROVISIONS

§ 158.001 FINDINGS AND PURPOSE.

(A) The City Council of the City of Eureka, based on evidence presented to it in the proceedings leading to the adoption of this ordinance hereby finds that the cultivation, processing and distribution of medical cannabis in the City of Eureka has caused and is causing ongoing impacts to the community. These impacts include damage to buildings containing indoor grows, including improper and dangerous electrical alterations and use, inadequate ventilation leading to mold and mildew, increased frequency of home-invasion robberies and similar crimes, and that many of these impacts have fallen disproportionately on residential neighborhoods. These impacts have also created an increase in response costs, including code enforcement, building, land use, fire, and police staff time and expenses.

(B) The City Council of the City of Eureka also acknowledges that the voters of the State of California have provided a criminal defense to the cultivation, possession and use of cannabis for medical purposes under the Compassionate Use Act, but that the Compassionate Use Act does not address land use or building code impacts or issues arising from the resulting increase in cannabis cultivation within the City.

(C) The purpose and intent of this chapter is to regulate the cultivation, processing and distribution of medical cannabis in a manner that protects the public health, safety and welfare of the community and mitigates for the costs to the community of the oversight of these activities.

§ 158.002 INTERPRETATION AND APPLICABILITY.

(A) No part of this ordinance shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. section 800 et seq., nor to otherwise permit any activity that is prohibited under that Act or any other local, state or federal law, statute, rule or regulation. The cultivation, processing and distribution of medical cannabis in the City of Eureka is controlled by the provisions of this chapter of the Eureka Municipal Code. Accessory uses and home occupations, where medical cannabis is involved shall be governed by the provisions of this chapter.

(B) Nothing in this ordinance is intended, nor shall it be construed, to burden any defense to criminal prosecution otherwise afforded by California law.

(C) Nothing in this ordinance is intended, nor shall it be construed, to preclude a landlord from limiting or prohibiting cannabis cultivation, smoking or other related activities by tenants.

(D) Nothing in this ordinance is intended, nor shall it be construed, to exempt any cannabis related activity from any and all applicable local and state construction, electrical, plumbing, land use, or any other building or land use standards or permitting requirements.

(E) Nothing in this ordinance is intended, nor shall it be construed, to make legal any cultivation, transportation, sale, or other use of cannabis that is otherwise prohibited under California law.

(F) All cultivation, processing and distribution of medical cannabis within city limits shall be subject to the provisions of this chapter, regardless if the cultivation, processing or distribution existed or occurred prior to adoption of this chapter.

§ 158.003 RELEASE OF LIABILITY AND HOLD HARMLESS.

As a condition of approval of any conditional use permit approved for a medical cannabis cultivation, processing, and/or distribution facility, the owner or permittee of each medical cannabis collective, cooperative, cultivation, processing or distribution facility shall indemnify and hold harmless the City of Eureka and its agents, officers, elected officials, and employees for any claims, damages, or injuries brought by adjacent or nearby property owners or other third parties due to the operations at the collective, cooperative, cultivation, processing or distribution facility, and for any claims brought by any of their clients for problems, injuries, damages, or liabilities of any kind that may arise out of the cultivation, processing or distribution of medical cannabis.
