

POLICYMAKER VISIT FEEDBACK FORM

We need your help to ensure that ASA is communicating strategically with legislative supporters, providing information to undecided policymakers, and aware of the concerns expressed by our opposition. Please use this form to record notes for each and every visit you have with your elected officials – it will help our National Office conduct the appropriate follow-up calls, email, and visits. **Please return these forms to: Americans for Safe Access at 510-251-2036 or email to: info@safeaccess.com.**

Senator/Rep's name: _____ Member's State: _____
 Your full name: _____

I met with (check all that apply):

Member

Member's staff person

What was the staff person's name? _____

What was the staff person's email? _____

What was his/her title? _____

Therapeutic Use of Cannabis: Do you support the therapeutic use of cannabis as recommended by a licensed physician to control symptoms of serious and chronic illness?	Yes	No	If no, why? (or other comments):
End federal raids: Do you think the DOJ's limited resources are best utilized conducting enforcement raids on the individuals and non-profit collectives authorized to use or provide cannabis in accordance with state laws that?	Yes	No	If no, why? (or other comments):
Truth in Trials: Would you support legislation to permit individuals facing federal prosecution for marijuana-related violations of the Controlled Substances Act to provide evidence demonstrating that the activities for which they stand accused were performed in accordance with a state law that authorizes the use, possession, or distribution of cannabis for therapeutic use?	Yes	No	If no, why? (or other comments):
Medical cannabis research: Do you support elimination of the federal government's monopoly on the supply of cannabis available for FDA approved clinical trials in accordance with ALJ Bittner's February 2007 ruling?	Yes	No	If no, why? (or other comments):
Remove Cannabis from Schedule I: Do you support removing cannabis from the list of Schedule I controlled substances in light of the growing body of research which supports the therapeutic use of cannabis?	Yes	No	If no, why? (or other comments):
Creation of a National Strategy: Would you support the creation of a commission or advisory council to provide advice, information, and recommendations about programs and policies to support safe and legal access to cannabis for therapeutic use and research?	Yes	No	If no, why? (or other comments):

REMEMBER TO WRITE A THANK YOU NOTE TO THE OFFICES YOU VISITED
