¹Data in this report contains adjusted amounts as of this date. This includes adjusted data for the most current month, as well as any adjustments made to previous months. These figures do not include assessments.

²This count represents those taxpayers who have been identified as medical marijuana sellers and who have reported retail sales, retail sales taxes, and other excise taxes. There may be other medical marijuana sellers who have also properly remitted excise taxes, but who have not been identified as such by the Department of Revenue.

³Month of Sales Activity represents the month in which a consumer purchased from a retailer.

⁴Other State Taxes, Interest & Penalties represents all business and occupation taxes (including those for services provided), other excise taxes, interest and penalties.
